#### COMMITMENT AND STATMENT

I agree to use the offered seeds to seed my nonconforming riparian buffer strip in the current year and to determine the minimal riparian strip width to seed in order to follow my territory's regulations.

I allow the Fédération de l'UPA de la Montérégie to share the information regarding my riparian buffer strip to all project partners.

I acknowledge that the Fédération de l'UPA de la Montérégie can not be held accountable for my riparian buffer strip's nonconformity following the completion of the project.
